

KILGORE IMPROVEMENT & BEAUTIFICATION ASSOCIATION, INC.

PO Box 1524
Kilgore, TX 75663

The Kilgore Improvement & Beautification Association (KIBA) continues to assist and exhort the residents of the City of Kilgore, Texas, and its suburbs, to clean, repair, plant and freshen the premises in which they live, work, and conduct business. We believe that by working together we will realize a cleaner, healthier, safer and more beautiful community in the Greater Kilgore Area.

Thanks to the very generous donations made to KIBA by individuals, businesses and organizations over the years, and the time and efforts given by the many KIBA volunteers, we have continued to maintain and beautify our existing projects. Some of the various ongoing projects include:

- The Texas Shakespeare Garden located next to the Anne Turk Fine Arts Center on the Kilgore College Campus.
- The World's Richest Acres which continues to be an attraction for tourists and townspeople.
- The White Elephant Bazaar, in the historic depot, which continues to be successful thanks to the many donations and dedicated volunteers.
- The KIBA amphitheater, which was dedicated to the community, is frequently used by the public and may be reserved by organizations or individuals by calling the Kilgore City Hall.
- The Yard of the Month, Beauty Spot of the Month and Commercial Beauty Spot recognition honors which are awarded each month and continue to promote community pride.
- The "Adopt A Street" Program which is ongoing and anyone wishing to adopt a street and keep it litter free may do so by contacting KIBA.

If you are interested in partnering with KIBA to promote improvement and beautification in our community, please detach and complete the following form and return it with your dues, project contributions, honorariums or memorials to:

KIBA, P.O. Box 1524, Kilgore TX 75663.
